Term 4 is my favourite Term. Exams are done and the pressure is off to some extent. Now we can concentrate on Recitals and learning some Christmas music. It is wonderful to see the smiles on beginner piano students' faces when they realize they are able to play Jingle Bells! There is Recital information with this Newsletter so please read and reply so we can organize the programs thanks.

If you haven't done so already, please make note of our new email address - info@musicalive.com.au. Messages to the old address will no longer be answered sorry.

Watch out for our Children's Choir "The High Notes" who will be performing at Loxton Lights Up on Saturday 25th November at 7.30. We rehearse Fridays from 4.30 - 5.30 for any students still wishing to join in, it's not too late!

Kind Regards, *Karyn*

All student enrolments will carry over into 2018 unless you let us know of your intention to finish lessons at the end of 2017. In January you will receive your lesson times for 2018 along with new enrolment forms to complete so that we have your most up-to-date information.

Please let us know by phone call or coming in to the office in Loxton if there need to be any changes to your current lesson time. Generally we try to keep lesson times the same unless you let us know in advance. We also try to cater for families so their lessons can be running concurrently.
